DAY OF CARING

Granville County United Way

To volunteer for the Day of Caring or
for more information visit our website:
www.granvillecountyunitedway.org

Day of Caring

Granville County Day of Caring is a community wide day of hands-on volunteering that connects volunteers with non-profit organizations to work on various projects that would otherwise not be completed.

It is a day that demonstrates that volunteerism is vital to the well-being of our community. It spotlights United Way's role in bringing volunteers together, empowering them to work together to address some of the urgent needs facing our community.

By joining us on the 2009 Day of Caring, you and your co-workers can...

***Help service providers and agencies complete needed projects.**

***Gain a better understanding of how United Way contributions are invested in community health and human service programs.**

***Showcase your organization's volunteer spirit and commitment to Granville County**

LIVING UNITED means being part of the change. It takes everyone working together in the community to advance the common good for all. The Day of Caring is a perfect opportunity to let your actions speak louder than your words!

Why Should Your Company Volunteer for the Day of Caring?

- Day of Caring will strengthen community relationships and corporate visibility.
- Participating in a service day will enhance team spirit and employee morale.
- Company participation in volunteer activities helps to recruit and retain employees.
- Participation in the Day of Caring facilitates a greater understanding of how commitment of time and money makes differences in our community.

How Does My Company Form a Team?

Select a team leader who will be the liaison between the United Way agency and sponsoring company.

Form your team based on department, interest or availability.

Define a team coordinator if smaller teams are needed.

Provide "community service time" for your employees to participate in this company sponsored activity.

Determine your team's interest. Select a project that will interest all employees involved.
